

**Amendment #4
to RFP-NIH-NIAID-DMID-05-22**

"Tularemia Vaccine Development Team"

Amendment to Solicitation No.:	NIH-NIAID-DMID-05-22
Amendment No.:	4
Amendment Date:	November 29, 2004
RFP Issue Date:	July 13, 2004
Issued By:	Elizabeth J. Osinski Contracting Officer DHHS/NIH/NIAID Contract Management Program 6700-B Rockledge Drive Room 3214, MSC 7612 Bethesda, Maryland 20892-7612
Point of Contact:	Elizabeth Osinski, Contracting Officer
Name and Address of Offeror:	To All Offerors

Section J. – HOW TO PREPARE AND SUBMIT AN ELECTRONIC PROPOSAL, page 17, of the RFP is amended as set forth below and the **date for receipt of proposals is extended until December 8, 2004.**

Under **ELECTRONIC SUBMISSION**, the third paragraph is revised to read as follows:

The limit of ten (10) megabytes to the size (MB) of the two electronic PDF files to be submitted is hereby deleted. If offerors are going to exceed the 10 megabyte total for both the technical and the business proposal, then a CD must be submitted in lieu of using the NIAID electronic web site. The CD must contain two separate PDF files, a technical and a business proposal.

The following paragraph is added as the fourth paragraph under this **ELECTRONIC SUBMISSION** section:

The Technical Proposal page limitation is unchanged at 300 pages and the unlimited page limit for the Business Proposal remains unchanged, also.

- Except as provided herein, all terms and conditions of this RFP remain unchanged and in full force and effect.
- **The hour and date specified for receipt of offers is extended until [December 8, 2004, 4:00 PM, EST.](#)**
- Offerors must acknowledge receipt of this [Amendment #4](#), either by a separate FAX to the Contracting Officer or on each copy of the proposal submitted.

Failure to receive your acknowledgment of this amendment may result in the rejection of your offer. This amendment may be acknowledged by a separate FAX to the Contracting Officer or on each copy of the proposal submitted.
